

## **Family Lawyer**

Wolseley Law LLP is seeking a family lawyer for a 12-month maternity leave coverage (with possibility of extension) beginning in February 2025.

We are currently searching for a lawyer to join our family team. We are seeking someone who shares the ideals of Wolseley Law LLP and who can step into an active family practice currently centered around, but not restricted to, matters that are resolved on an out of court basis. Experience with collaborative family law and/or mediation would be something we would be interested in hearing about as well. The ideal candidate will tell us about their experience in these areas in their cover letter. We are looking for someone who is able to work independently, to carry their own files, but also be available to help others, and be supported themselves, in a team-based environment.

We are a firm with partners that value work life balance in a very real way and wish to give that same luxury to anyone who joins our team. While we really do enjoy the folks that we work with, and appreciate the ability to rely on each other collaboratively, we're open to hearing your ideas about being in the office, or working in a hybrid capacity. The position would be an ideal opportunity for someone looking to get back into private practice and dictate their own hours or simply someone who is looking to more realistically manage the pace of their practice. With that being said, there is plenty of room for practice growth and ample file opportunities, but our targets are very, very attainable and provide ample flexibility in practice and in life. The ideal candidate would have a minimum of 3 years of experience, but we are open to considering anyone who believes they may be the right fit.

If you are interested in joining our team, please send a cover letter and resume, in confidence, to [jobs@wolseleylaw.ca](mailto:jobs@wolseleylaw.ca). Candidates will be interviewed on a rolling basis until the position is filled.
